What should I bring? Glad you asked. Here's a helpful list.

- Bible, notepad and pen.
- Sleeping bag, blanket, pillow.
- Towel and toiletries.
- Change of clothes. Temperatures look to float between high 60s during the day and low 50s at night (think layers like an onion).
- Rugged footwear for hiking if you'd like
- Fishing equipment. You can do catch and release in their pond if you like.

Here's a list of possible free time activities.

- Fishing.
- Rock wall climbing.
- Basketball in the gym.
- Disk Golf (or Frolf).
- Carpet Ball.

- Ping Pong
- Plenty of trails to walk and explore with waterfalls and sitting area's for fellowship with the Lord and/or others during the retreat.

Please note that we have an NRA Certified Range Safety Officer / NRA Certified Instructor to operate any skeet or target shooting during our stay.
